

OVERVIEW

The CCDVI2HD10-TAA 10 ft HDMI to DVI-D cable enables you to connect a DVI-D video card (or other DVI-D output device) to a display that incorporates HDMI technology. The cable supports bi-directional operation that also allows the reverse configuration, delivering digital video from an HDMI-enabled output to a DVI-D capable display.

A valuable addition to any digital signage, multimedia or command center application, this high performance cable is designed to provide the best quality picture available through either HDMI or DVI digital connections.

10 Foot Dual Link DVI to HDMI Cable - TAA Compliant

KEY FEATURES

- Bi-directional: DVI-D to HDMI or HDMI to DVI-D
- Passive design - no external power required
- Gold-plated connectors
- Aluminum-Mylar foil with braid shielding
- TAA compliant - manufactured in Taiwan
